“ To the Family of Vincent Lee Buel. A Journey Remembered.

Family we are remembering you at this time of loss, praying that God will bring comfort to your hearts.

*It is with deep sympathy that we share in the passing of our Beloved Friend and Brother Vincent Lee Buel. We rejoice that God has called him from labor to reward and that he is at peace. It is hard to imagine our lives without Vincent. Our friendship spans over 50 years and we will cherish all the love we shared. Our times together were so special, as he served as the best man at our wedding, over 45 years ago. We may not have him physically with us but will always remain in our hearts. We thank God for his life and the assurance in knowing that he found the most important relationship, with our Lord and Savior, Jesus Christ and his absence means that he is present with our Lord. We will be waiting for that day when all of us will be reunited, once again. Until then rest, well our Brother. We pray for grace and peace during this time for all.

“ Mr. Vincent Buel, I must say it was my FULL Honor to have served you in your last weeks, you are a patient that I will never forget, your wise conversations about life, health and GOD.... I remember it as like it was yesterday that everyday that I walked into your room, you will be reading your DAILY TEXT that PRAYER and how you say you always get them and send one back. You were the Light of Love, that patient that never asked for anything but I tried to make sure you had everything you needed even a hair cut...LOL. In do time my friend, we shall meet again. To the family he will always be in your heart and on your mind and Know that Mr. Buel is in the best hands. It has been my Honor and pleasure to have cross the path of your wonderful family. I love you Mrs. Mary stay strong and you have my number at work if you just want to pray or talk...I love you
