“ Boo, you will be missed. What a guy, a great mentor at the Hampton Roads Boys & Girls Club! You always kept a smile on your face, kept it real and just carried yourself with grace and great spirit. You were like an uncle to me growing up and I knew you were looking over my shoulder while at the Boy's Club ensuring my safety. I thank you for that and your family as well for providing such a great passage for me in my upbringing. God bless you and may you rest in peace, power and paradise forever more!!!

“ My heart aches at the passing of my dear friend BOO Jones. He was a sweet, friendly, caring, intelligent, humorous and spiritual. Whenever I would talk to him, he made me laugh. Even as he began to walk through the valley of death, he was encouraged and full of faith.
My life has been enriched by having BOO as my friend.
I lift the family in prayer. You all have loved, cared for and supported BOO, not only in this journey, but lifelong. 💜🙏
