“ *R I.P. William was good friend to my cousin James Henry. He and others would come by to visit or get James Henry. I was one of the older cousins in the house. As we became adults, whenever I see William. He always had a Big smile and great conversations. I heard he was ill, the plan was to visit. God called him home before i could visit. I guess William and James Henry are having great conversations now. Family Be Encouraged.*

“ *My friend, my rescuer, my ever listening advisor when I was a hot mess out of the will of God. My friend, my banker, my arms bearer when I was irresponsible and buck wild; unable to hold it down. Many couldn't understand why or how come when I decided to walk into God's promise that I still came seeking and looking for you. Nosy I guess!! What a joy it was sharing God's unconditional love, grace, and mercy with you, there is no doubt you are with the King of Kings. Rest Easy my friend. Lovingly,*
