“ I wish i had a chance to say goodbye. this is so unreal to me. I love you so much. I remember Camelot days. 1108 Sean dr at my grandma house. U come over and play with us. Telling us how beautiful me and my sister's are. U having breakfast and dinner at our house. U love yourself some Wendy's just like me! I been thinking about u all the time. But no where to be found. Didn't know u was in a nursing home. Keep riding pass ur house in Hampton a few times and see ur truck but no answer at the door. Calling ur phone. Just curious where are u? we be searching ur name on Google to make sure nothin happen to u every time. And now this breaking news when mylinda decide to Google ur name and told us tonight that u passed away just crushed our hearts. We jus can't believe nobody didn't told us. Unanswered questions here. Just why?? why ?? Sigh. gosh I miss u so much. I will never forget u. ur like my bestest friend/ a grandpa who I never had before. Rest in peace
