“ Regina and family, just wanted say how much I will miss seeing William at LAFB commissary. Talking with him about oldies and the times at Huntington HS did me good. Just those minutes several times a week or month will be missed.

You and the family have many good memories to get you through the hard times and many friends to fill in the gaps.

Stay strong and know that William is no longer suffering.

Always a pleasure seeing Bill....a friend for years and fellow HHS student. Bill had a godly spirit....and will remain alive in our hearts and thought.
