“ *My deepest & sincere condolences to my Brother in Christ, fellow Jornadista and, most importantly, friend. I've known Willie since our childhood days in the Roosevelt Houses in Brooklyn, NY. There are truly many memories, too many to share. At first thought I cannot but help to think of Willie's smile that always would brighten anyone's day. I pray we can still hold on to that memory not only through those darkest hours but through the very good times as well. Rest in Power...*

“ To the Moreno Family and AFF Family, Know that Willie was kind and caring and always committed to us at AFF. He loved his job which made us all feel the same about him. Willie, rest in peace, my friend. I'll be sure to ask my mom in heaven to help show you the ropes up there. You will be missed by family, friends, and members alike. I'll always remember our love of NY Sports and the dapper dresser you always were.

“ I will never forget the laughs we shared and the food Tasha and I would always eat of yours. Our AmFam Chester family would never have been complete without you. Because of you, my name became a song. A song that will continue to remind me (us, Chester AmFam) of your presence. I am happy to have had a chance to experience your light of compassion, your love, and a smile that always lit up the whole gym.

*May you continue to shine bright.*
