“ I miss you Big Brother , Thank You for showing me how to be a good man and taking the time to talk to me about the meaning of being a responsible adult as well as being responsible hard worker. I miss seeing you at work for Pentran and taking me to work. I remember you, Glenn, Helen, and Neola surprised me on my 10th birthday , and you all stayed overnight, and I had a small hole in the back of my underwear and my cuisine told my aunt Mary about it, she called me into her room and told me to turn around, and when I did she ripped the hole in my underwear larger exposing my rear end and you started singing " I ripped my draws right there and then in bedrock, twist twist " and we all busted out laughing so hard, Thank You for the laughs lol I miss you, I miss all of you.
Love , your baby brother Alexander Clayton Perry Sr.
