“ This Stephen Sain - Gravy and I worked at Branscome together and we became pretty good friends (he used to tell me I was his best white friend) there was never an issue with color we were two guys that enjoyed each others sense of humor and talking about fishing, laughing and anything that kept us from being bored at work.

- I've been trying to get a hold of him for several years I'm really sorry to find out today that my buddy had passed away. My he rest in peace. - prayers for his family - good bye my friend
